VIRTUS SPC Floors by Jawor-Parkiet - synonymous with modernity

SPC VIRTUS by Jawor-Parkiet floors open up a whole new chapter in the shaping of spaces that are not only beautiful but also durable and functional. SPC (Stone Plastic Composite) is a material that has changed the rules of the game in the flooring market.

Thanks to the ground-breaking Power Core and ABA Core technology, SPC flooring from Jawor-Parkiet offers unparalleled durability, making it the perfect choice for any interior. In addition, the 0.7 mm thick wear layer, covered with a 5-layer protective coating, guarantees superior scratch resistance.

Virtus Royal Collection

VIRTUS Royal Collection by Jawor-Parkiet, is a proposal from the premium segment. It offers 12 decors modelled on the texture and drawing of real wood. The striking, expressive palette reflects interior trends in a luxurious way.

SPC VIRTUS Royal Collection floors are dedicated to the herringbone pattern of 6x128x580 mm elements, as well as to the straight lay pattern of 6x182x1180 mm elements.

Classic herringbone

It is a design that stands out for its timeless elegance.
It combines classic and modern in a striking way.

The symmetrical arrangement is made up of elements
in the shape of narrow rectangles, arranged
perpendicularly to each other. The distinctive pattern
perfectly emphasises the style of the interior, from classic
and vintage to modern classic.

VIRTUS

SPC FLOORS BY JAWOR-PARKIET

Sunstone

A radiant decor with warm, sunny tones with distinctive wood grain. Timelessly elegant in a classic herringbone pattern.

Classical herringbone

6 x 128 x 580 mm
(thickness x width x length)

14 | 1,039 m²
pcs | in a package

Perla

Sophisticated decor in light tones.
A shade of creamy white, with a delicate
pattern will brighten up the space.

SPC FLOORS BY JAWOR-PARKIET

Calm Dusk

The dark colour of earthy brown highlights the sophisticated grain of the wood. The expressive grain pattern creates an interesting rhythm.

Classical herringbone

6 x 128 x 580 mm
(thickness x width x length)

14 pcs | 1,039 m²
in a package

Straight lay pattern

The plank-shaped elements in an irregularly staggered arrangement give the floor a natural effect.

The standard arrangement perfectly emphasises the spacious character of open spaces. It highlights the grain and colour of the wood décor in an attractive way.
